

Trucksafe Policy Statement

It is the policy of CDM Logistics Pty Ltd that all persons employed by or associated with CDM Logistics in the Trucksafe Program are responsible for ensuring the quality and reliability of all products and services provided by CDM Logistics.

CDM Logistics Pty Ltd recognises that quality starts with the planning of all activities and goes through all subsequent phases of our service.

A "do it right first time and every time" approach is the key to our delivery of:

- Customer satisfaction
- Quality service
- Value for Money
- Safe operation
- Reliable and efficient service

A condition of employment with CDM Logistics is that employees participating in the Trucksafe program act within the intentions of this policy statement and company procedures.

They must also sign the Training Register to indicate that they have read and understand this policy and the associated procedures contained within our transport operations management system.

The above principles are basic to this operation for the assurance of service quality. All staff, contractors and service providers are included in the support of this policy.
